Minutes of the Council Meeting held on Tuesday, 1 February 2022 at 6.00pm
virtually and at the Conference Room, 36 Pendre, Cardigan
in line with guidelines of the Local Government and Elections (Wales) Act 2021.

Presennol/Present—Y Cynghorwyr/Councillors Trystan Phillips (yn y gadair / in the chair), Clive Davies, John Adams-Lewis, Graham Evans, Catrin Miles, Richard Jones, Morvenna Richards, Shan Williams, Steffan Morgan, Siân Maehrlein, Yvonne O'Neill, Elaine Evans, Llinos Haf Jones (Cyfeithydd / Translator) Michael Lewis (Tivyside), Eleri Maskell (Clerc/Clerk).

1. Croeso'r Cadeirydd a Materion Personol.

Croesawodd Y Cyng Clive Davies bawb i'r cyfarfod a dymunodd wellhad buan i'r Faer, Y Cyng Debra Griffiths. Agorodd Y Cyng Clive Davies y cyfarfod yn absenoldeb y Cyng Trystan Phillips oherwydd ei fod yn rhedeg yn hwyr.

Mynegodd y Cynghorwyr eu tristwch am farwolaeth eu cyfaill Akira Shimazaki – neu Jac Bara Caws fel oedd yn cael ei adnbod yn y dref. Bu farw Jac yn dawel yng Nghartref Brondesbury ar Ionawr 9fed wedi salwch byr. Er mae cydnabod yn unig oedd Jac i'r ran fwyaf yn ystod ei gyfnod cynnar yma yn y dref, yn 2012 datblygwyd eu perthynas pan gytunodd i sefyll etholiad yn Ward y Mwldan fel ymgeisydd dros Plaid Cymru i wasanaethu fel cynghorydd ar y Cyngor yma. Roedd Jac yn bles ac yn browd iawn i gael ei ethol, gan mai fe oedd y cynghorydd cyntaf o Japan yn hanes gwleidyddiaeth Prydain Fawr i wasanaethu ar lywodraeth leol. Bu yn bleser i rhai o'r cynghorwyr gydwasaethu gydag ef gan fod ei gyfraniad o hyd yn urddasol, yn dawel, a'i awgrymiadau doeth o hyd wedi eu mesur yn ofalus. Cynhaliwyd y gwasanaeth angladdol yn Eglwys y Santes Faer ar fore Gwener 21ain o Ionawr, pryd y dangoswyd y parch mwyaf iddo – a'r eglwys yn gyfforddus lawn. Drwy addewid i Jac, talwyd teyrnedd iddo gan Wynford Jones (cyn cler) a'r Cyng John Adams-Lewis, cyn dilyn yr orymdaith i'r claddedigaeth ym mynwcent Nanhyfer. Estynnwn ein cydymdeimlad a'i chwaer a'i deulu yn Japan. Dymunwn hedd, perffaith hedd i Jac ym mynwcent brydferth Nanhyfer.

The Chair's Welcome and Personal Matters.

Cllr Clive Davies welcomed everyone to the meeting and wished the Mayor, Cllr Debra Griffiths a speedy recovery. Cllr Davies opened the meeting on behalf of Cllr Trystan Phillips who was running slightly late.

The councillors wished to express their sadness at the loss of a dear friend Akira Shimazaki – or as he was known in the town, Jac Bara Caws. Jac passed away peacefully in Brondesbury Lodge care home, 9 January after a short illness. In the early years of Jac moving to Cardigan he was a

mere acquaintance, but the relationship developed when he agreed to stand as a Plaid candidate for the Mwldan Ward in a local election back in 2012. Jac was very pleased and proud to be elected and to serve on Cardigan Town Council, especially as he was the first councillor from Japan in the political history of Great Britain to serve at local government. It was a pleasure for some of the councillors to serve with him, he was extremely gracious and respectful and his contributions always well thought out and measured. The funeral service was held in St Mary's Church Friday 21 January, the church was comfortably full indicating the respect he held locally. As promised to Jac, the eulogies were given by Wynford Jones (previous Clerk) and Cllr John Adams-Lewis, before the burial service in Nevern. We wish eternal and peaceful rest to you Jac at the beautiful burial grounds of Nevern church.

Y Cyng Elaine Evan Ward Rhyd-y-fuwch

Rwyf wedi bod mewn cysylltiad ag o leiaf 6 o bobl yn ystod y mis diwethaf sy'n poeni am ble y maent yn mynd i fyw oherwydd eu bod wedi cael hysbysiadau ar eu heiddo oherwydd bod landordiaid yn gwerthu. Rwyf wedi helpu un person ynglyd â CSC i gael ei ailgartrefu mewn llety dros dro tra ei bod yn chwilio am tŷ preifat. Rwyf mewn cysylltiad â'r cyngor i geisio cymorth ar gyfer o leiaf 4 teulu arall yn yr un sefyllfa. Ymddengys fod hwn yn fater cynyddol.

Goleuadau traffig heibio Parc Teifi: Mae ymgynghoriad yn parhau gyda swyddogion i geisio unioni'r sefyllfa hon. Yn dilyn caniatâd cynllunio adeiladodd y tirfeddiannwr strwythur a mynedfa newydd, gloddio'r gefnogaeth priffordd caergawell presennol heb Awdurdod Prifyrdd Lleol blaenorol ac arweiniodd hyn at fethiant/dod a tua 30m o'r briffordd yn annio. Codwyd strwythur caergawell newydd gan y tirfeddiannwr i ddarparu mynedfa newydd, fodd bynnag nid oedd y dyluniad yn ddigonol ac roedd y briffordd yn parhau i fethu.

Mae'r tirfeddiannwr wedi cyflogi gwasanaeth Barratt Associates i ddylunio datrysiaid addas i ddarparu cefnogaeth strwythurol digonol i'r briffordd. Cymeradwywyd hyn gan y cyngor ar 24 Awst 2021 ac aeth Mr Barratt at gontactwr lleol sydd wedi'i gofrestru gyda'r cyngor i wneud gwaith Prifyrdd drwy Fframwaith y Cyngor.

Anfonwyd telerau ac amodau at y tirfeddiannwr i wneud y gwaith a oedd yn amod bod angen bond i dalu am gost amcangyfrifedig y gwaith cyfan ar 25 Awst 2021. Dychwelwyd copi wedi'i lofnodi i'r cyngor ar 9 medi 2021.

Ers arwyddo'r cytundeb bu nifer o ohebiaeth gyda Mr Barratt yn gweithredu ar ran y tirfeddiannwr i sicrhau'r bond hyn, ond may hyn wedi bod yn amhendant. Mae CSC bellach mewn sefyllfa lle mae angen iddynt symud ymlaen i'r datrysiaid terfynol a'r opsiynau sy'n agored iddynt, pob un yn cynnwys lefelau amrywiol o risg y bydd angen eu cydbwyso yn erbyn yr aflonyddwch parhaus, yr effaith ar adnoddau a chost y cyngor, sef:

- i. Gwneud dim – ddim yn opsiwn gan fod dyletswydd gyfreithiol arnynt dan Ddeddf Prifyrdd 1980 i gynnal a chadw'r briffordd a thynnau'r goleuadau traffig ac ati. Byddai

- hyn yn achosi straen ychwanegol ar weddill y lôn redeg, gan achosi methiant cynamserol o bosibl.
- ii. Aros i'r Datblygwr sicrhau bond – Nid yw'r Cyngor yn rheoli hyn y thra byddant yn aros, mae'r goleuadau yn parhau yn eu lle. Mae'r llwybrau cyfreithiol ar gyfer diffyg cydymffurfio ar gael, ond bydd y rhain yn golygu y bydd angen i'r cyngor ddylunio, caffael a gweithredu'r cyfnod adeiladu. O ystyried y problemau adnoddau sydd ganddynt ar hyn o bryd, bydd yn parhau cau'r lôn am 6 mis arall o bosibl. Gallai adennill yr holl gostau (a fydd yn llawer mwy na'r costau a ddyfynnwyd gan Mr Barratt ar gyfer adeiladu yn unig) arwain ar her gyfreithiol neu her gan eu hyswirwyr. Bydd hyn yn anochel yn golygu llawer mwy o oriau o amser swyddogion na fyddai modd eu hadennill.
 - iii. Bwrw ymlaen heb Fond yn ei le – Tra byddai hyn yn anarferol, mae cost y gwaith yn gymharol fach ac mae'r amserlen ar gyfer adeiladu yn fyr (4wythnos). Ystyrir bod y risg y bydd y contractwr (wedi'i liniaru trwy fynnu bod Contractwr o Fframwaith y cyngor yn cael ei ddefnyddio) yn mynd i derbyniad yn isel. Hyd yn oed pe bai hyn y digwydd, bydd y Cyngor yn gallu parhau yn debyg i Opsiwn 2 ac adennill unrhyw gostau gan y tirfeddianwr. Dim ond os bydd y datblygwr yn methu â chwblhau'r gwaith y bydd y risg yn dod i'r fei a a bydd rhai i'r Cyngor ymyrryd ac ymgymryd â'r gwaith.
 - iv. CSC sy'n gwneud y gwaith – Y Cyngor sy'n rheoli hyn yn gyfan gwbl, fodd bynnag bydd yn rhi pwysau ychwanegol ar adnoddau sydd eisoes wedi'u dyrannu'n llawn. Bydd y gwaith yn cael ei wneud ar y dybiaeth sylfaenol bod adennill costau llawn yn opsiwn, ond nid yw hyn byth yn sicr wrth ymdrin ag yswirwyr ac unrhyw heriau cyfreithiol sydd â thebygolrwydd cymedrol o ddigwydd. Bydd costau na ellir eu hadennill yn gysylltiedig â hyn wrth i swyddogion ddarparu tystiolaeth a barn.

O ystyried lefel y risg, a oedd wedi'i chydbwys o yn erbyn yr amhariad parhaus a'r effaith ar adnoddau a chost y Cyngor, cadarnhaoedd Phil Jones (swyddog CSC) y bydd cynnydd yn cael ei wneud yn dilyn opsiwn (iii) fel y disgrifir uchod. Unwaith y byddant yn clywed yn ôl gan Mr Barratt, bydd CSC mewn gwell sefyllfa i roi cyngor. Mae sylwadau gan aelodau'r cyhoedd yn cynnwys:

"Mae teulu yn byw yn y cae ar ochr Aberteifi i'r eiddo yn yr hyn sy'n ymddangos yn fws wedi'i addasu. Mae darnau i'w gweld yn croni o amgylch y bws."

"Mae safle Tŷ Morfa yn erdych fel dymp. Yn ofnadwy iawn. A all y cyngor neu'r cyngor tref wneud unrhyw beth am y llanast hwn gan sy'n cyfarch pobl sy'n dod i mewn i Aberteifi o'r cyfeiriad hwn."

Maent wedi'u diweddaru p'r datblygiadau diweddaraf.

Toiledau Gerddi Fictoria – Dywedodd Paul Williams o CSC wrthyf ar 26 Ionawr fod y toledau wedi'u paentio, ond oherwydd bod y paent yn dal yn llaith, byddant yn parhau ar gau tan yr wythnos hon. Efallai y bydd posibilrwydd o'u hailadeiladu yn y dyfodol. Mae'r toledau y tu ôl i Theatr Mwldan hefyd wedi'u fandaleithio'n ddiweddar ond wedi'u hatgyweirio'n gyflym a'u hailagor.

Cllr Elaine Evans Rhed-y-fuwch Ward

I have been in contact with at least 6 people in the last month or so who are worried about where they are going to live because they have had notices on their properties due to landlords selling. I have helped one vulnerable person together with CCC to be rehoused in temporary accommodation whilst she looks for private accommodation. I am in contact with the council to seek help for at least another 4 families in the same predicament, this seems to a growing issue.

The traffic lights past Parc Teifi: Consultation is ongoing between CCC officers to try and remedy this situation. The landowner, following planning permission built a new structure and access, excavated the existing gabion highway support without prior Local Highway Authority approval

and this resulted in approximately 30m of the highway to fail/become unsafe. A new gabion structure was erected by the landowner to provide a new access, however the design was not sufficient and the highway continued to fail.

The landowner has employed the services of Barratt Associates to design a suitable solution to provide adequate structural support to the highway. This was approved by the Council on 24th August 2021 and Mr Barratt approached a local contractor that is registered with the Council to undertake Highway works through the Council's Framework.

Terms and conditions (S.278 Highways Act 1980) were sent to the landowner to carry out the works which conditioned a requirement for a bond covering the estimated cost of the whole works on 25th August 2021. A signed copy was returned to the Council on 9th September 2021. Since the agreement was signed there have been numerous correspondences with Mr Barratt acting for the landowner to secure this bond, however this has proved inconclusive.

CCC are now in a position where they need to progress to final solution and the options open to them, each containing various levels of risk which will need to be balanced against the continuing disruption, impact on Council resource and cost, and these are:

- i. **Do Nothing** – not an option as they have a legal duty under Highways Act 1980 to maintain the highway and remove the traffic lights etc. This would also cause additional stress on the remaining running lane, potentially causing premature failure.
- ii. **Wait for Developer to secure Bond** – The Council are not in control of this and whilst they wait, the lights remain in place. The legal routes for non-compliance are available, but these will lead to the Council needing to design, procure and implement the construction phase. Given the resource issues that they currently have, it will extend the lane closure for possibly another 6 months. Recovery of all the costs (which will be far greater than the costs quoted by Mr Barratt for construction only) may lead to a legal challenge or challenge by their insurers. This will inevitably involve many more hours of officers time that would be unrecoverable.
- iii. **Proceed without a Bond in place** – Whilst this would be unusual, the cost of the works are relatively small and the timescale for construction is short (4 weeks). The risk that the contractor (mitigated by insisting on a Contractor from the Council's Framework being used) goes into administration are considered to be low. Even if this were to happen, the Council will be able to continue along the lines of Option 2 and recover any costs from the landowner. The risk will only materialise if the developer defaults or fails to complete and the Council will have to intervene and undertake the work.
- iv. **CCC undertake the works** – The Council are entirely in control of this, however it will place additional pressure on resources that are already fully allocated. The works will be done on the basic assumption that full cost recovery is an option, however this is never certain when dealing with insurers and any legal challenges that have a moderate likelihood of occurring. There will be unrecoverable cost associated with this as officers provide evidence and opinion.

Given the level of risk, which when balanced against the continuing disruption and impact on Council resources and cost, Phil Jones (CCC officer) confirmed that progress will be made using option (iii) as described above. Once they hear back from Mr Barratt Ceredigion will be in a better position to advise. Comments from members of the public include:

"A family is living in the field on the Cardigan side of the property in what appears to be a modified bus. Bits and pieces seem to be accumulating around the bus."

"The Ty Morfa site looks like a dump. Really appalling. Can the council or town council do anything about this mess greeting people coming into Cardigan from this direction."

They have been updated of the latest developments.

Victoria gardens

Paul Williams from CCC advised me on 26 January that the toilets had been painted, but due to the paint still being damp, they will remain closed until this week. There may be a possibility of rebuilding them in the future. The toilets behind Theatre Mwldan have also been vandalised but repaired swiftly and reopened.

Mae ddau ddamwaun arall wedi bod ar y A487 yn ‘killer bend’ – derbyniais ffotos wrth Jayne Cook sydd yn byw gerllaw – rwyf wedi anfon llythyr a’r ffotos eto i Lee Waters y Gweinidog yn y Cynulliad a chyfrifoldeb dros y darn yma. Mae Ben Lake a Elin Jones hefyd wedi ysgrifenni at y gweinidog. Dw i ddim yn obeithiol iawn, yn ol y sylwadau anherbyniol mae wedi ei wneud hyd hyn – yn lle mynd i’r afael a’r ateb parhaol. Mae yn hen bryd i gael penderfyniad effeithiol i’r man peryglus yma.

Cllr John Adams-Lewis Mwldan Ward

There have been another two accidents on the A487 at “killer bend” – I received photos from Jayne Cook who lives nearby – I have sent the photos and a letter to Lee Waters the Member in the Assembly responsible for this bit of road. Ben Lake and Elin Jones have also written to the Assembly Member. I don’t hold out much hope, after the unacceptable comments made up until now – instead of making the appropriate decision. It’s about time to have an effective plan for this dangerous point.

Y Cyng Catrin Miles Ward Teifi

COVID: Erbyn hyn, dim ond profion PCR sy’n cael eu cyfrif felly mae’r ffigwr tipyn yn is na phan oedd PCR ac LFT yn cael eu cofnodi. I roi ffigyrâu diweddaraf: 541,6/100k (PCR & LFT) ond dim ond 260/100k (PCR yn unig). Mae’r rhan helaeth o’r achosion mewn ysgolion gynradd – disgylblion a’u rhieni – ond does dim un ysgol ar gau ar hyn o bryd.

HAMDDEN: doe, ail-agorodd Canolfannau Hamdden Ceredigion ac fe gefais i a Clive wahoddiad i edrych o amgylch canolfan Aberteifi sydd wedi cael ei adfer 100% ers iddo fod yn ganolfan brechu i’r gwasanaeth iechyd. Mae’r staff a’r adeilad yn fwy na pharod i bawb ail-ymuno a dosbarthiadau a gweithgareddau cadw’n heini – sy’n cynnwys yr holl bwysig NERS ar gyfer bobl sydd wedi cael eu cyfeirio gan feddyg teulu.

LLYFRGELLOEDD o ‘fory ymlaen bydd modd defnyddio’r cyfrifiaduron am hanner awr, wedi bwcio o flaen llaw. Mae modd pori’r silffoedd lyfrau hefyd.

CYLLID: mae CSC wedi bod yn edrych ar gyllid ddrafft y Cyngor yn Cabinet bore ma. Bydd y drafft yn cael ei ystyried gan y wahanol bwyllgorau craffu cyn bod penderfyniad i’w wneud. Bydd manylion pellach erbyn ein cyfarfod nesaf.

ETROS: Bydd y Gorchmynion Rheoleiddio Traffig Arbrofol yn mynd allan i ymgynghoriad ac fe fydd hysbys yn y wasg. Noder bod dim elfen o gau strydoedd ynglwm fan hyn.

PENDRE: PENDRE: roedd problem ynglyn a dwr yn gorlifo y tu fas i Mundos, Food or Thought ond hyd y gwelai mae hyn wedi cael ei gywiros ond cadw llygad arno ta beth.

COVID: by now, only PCR tests are counted so the figure reported is considerably lower than previously, when PCR and LFT tests were noted. Ref the latest figures: 542,6 per 100,000 (PCR and LFT) but only 260 per 100,000 for PCR tests. Cases are being found predominantly in Junior schools – pupils, then transferring to their parents – but no school is closed at present.

LEISURE: yesterday CCC's centres re-opened and Clive and I had an invitation to look around our local centre that's been reinstated 100% since it was a mass vaccination centre for the health board. The staff & buildings are more than ready for everyone to recommence classes and activities – that includes the all-important NERS service for GP referrals.

LIBRARIES: from tomorrow, computers can be used for ½ an hour, with prior booking, and members of the public can browse the book shelves too.

BUDGET: CCC studied the draft budget in Cabinet this morning before it comes before the various Scrutiny committees prior to decision. Further details in next month's meeting.

ETROS: the Temporary Traffic Regulation Orders will go out to consultation once there is an announcement in the local press. Important to note that there is no element of road closure.

PENDRE: there was a problem with drains/water outside Mundos/Food for Thought. It appears to be resolved but I'll keep an eye on things in any case.
